

ROCKLIN UNIFIED SCHOOL DISTRICT INSTRUMENTAL MUSIC
in the
6th Grade

Welcome to the Rocklin Unified School District 5th and 6th grade instrumental music program. We look forward to working with those students who participate. In order to ensure your child's success, please be aware of our expectations.

Each student must:

- Attend all rehearsals
- Bring instrument and other materials to each rehearsal
- Participate in the performance
- Maintain a regular home practice schedule
- Show consistent progress on the instrument
- Exhibit outstanding behavior

Students who are deficient in any of the agreed upon rules listed above (such as unexcused absence from three rehearsals, or failure to have an instrument or materials at three rehearsals) may be dropped from the music program by the director.

We feel that *succeeding* is far better than just participating, and the pride of a job well done makes the effort worthwhile. It promises to be an exciting year!

----- Please read, sign, detach and return -----

(Child's name) _____ has permission to participate in the instrumental music program.
